

Medicine Hat REALTORS'® Charitable Foundation

Information for Grantseekers

The Medicine Hat REALTORS'® Charitable Foundation (the Foundation) was established in 2005 to provide a vehicle through which Members of the Medicine Hat Real Estate Board (MHREB), and the public, could raise funds for various charitable purposes.

The Foundation makes discretionary grants to charitable organizations in the areas of housing and shelter-related needs. These grants are limited to Medicine Hat and surrounding area. The Foundation prefers to fund innovative and special projects that benefit as many residents as possible. It does not make grants to support budgets for an organization's operating costs.

All applications will be reviewed annually. Funding Allocation Committee recommendations are approved by the Board of Governors prior to any announcements. Applicants will be informed, in writing, of the Board's decision. Emergency applications **may** be considered, at the discretion of the Committee, on a case-by-case basis. The Foundation may consider on-going grants or multi-year projects. Sealed applications are to be submitted to:
